

# What are the missing names?

I WONDER if any *BT* readers know the names of any of these miners pictured at Frog Lane Pit in Coalpit Heath?

The man on far left is Joseph Fletcher and his stepson, Tom Fletcher, is on far right.

The miner to his left is Frank Britton – but this leaves seven men still unidentified.

A well illustrated book, *Frog Lane Colliery Sixty Years On* is available from me for £12.00 (plus £2.00 P&P)
