

# **Brandy Bottom Colliery Historical Research Report**      £7.00 (+ £1.30 p&p)

Published by the Avon Industrial Buildings Trust in May 2013, this

book details the restoration work carried out by the AIBT and the history of the Colliery. The site is a Scheduled Ancient Monument so all work there has to be authorised by English Heritage. The A4 book has 64 pages including colour front and rear covers. There are 53 figures including many photos and maps. The book has four appendices, one of which lists sixty references. A full review will be available later.
